SUPPLEMENTAL AMENDMENT

Sir:

In response to the Miscellaneous Action of July 15, 2004, please amend the above-identified application as follows:

1. The Examiner finds that the reply filed on April 19, 2004, is not fully responsive to the prior Office Action in that a proposed drawing correction has not been submitted as required. Applicant respectfully submits the attached annotated drawing sheets showing changes made to Figures 4 and 7.

In Figure 4, the lower occurrence of numeral 41 is inaccurate and should be changed to --42--. The drawing has been amended as requested.

Amdt. dated 07/22/2004
Reply to Office Action of 01/14/2004

In Figure 7, the Examiner finds that a line is missing from box 76, and it seems that a horizontal line should be provided to connect box 76 to the vertical line at the right side of the figure. The missing line of the box 76 appears to be an artifact of the preparation of the drawing sheet from the electronically filed figure. The box is complete in the amended drawing sheet filed herewith. A horizontal line has been added to connect box 76 to the vertical line at the right side of the figure.

Conclusion

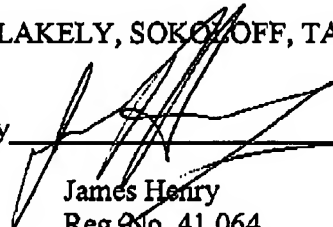

Applicant respectfully requests examination on the merits in this case.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN LLP
